Dear Ms. Collins,

The Court finds in the matters raised in your e-mails no reason to reach any decisions other than those communicated to you in its e-mail of 5 December 2025.

Although you are not required to attend the hearing of your case, the Court hopes to welcome you in the courtroom tomorrow morning at 8:15 a.m.

I trust that this information is sufficient.

Kind regards,

Subject: Submission: Certified Translation of Police Report – Proceedings BON202500558, BON202500561, BON202500269

I present the attached certified translation of my police report for filing in proceedings BON202500558, BON202500561, and BON202500269. The translated report documents violence, retaliation, and obstruction connected to my attempts to obtain legal assistance and contact journalists. These events create the impossibility of physical attendance and establish the danger documented in my filings.

This translation must be added to the case file immediately. It forms part of the evidence supporting my Notice of Impossibility of Physical Attendance and Mandatory Video Participation. All communication must continue in writing by email.

Signed,
jessica leigh collins
