

To: Bonaire Police

Date: September 24, 2025

My name is Jessica Collins. I am a U.S. citizen currently in Bonaire.

I am requesting international protection and asylum under the jurisdiction of the Kingdom of the Netherlands.

I cannot safely return to the United States because I have been persecuted by U.S. officials in retaliation for exposing serious crimes. If I am forced to return, I face imprisonment, retaliation, and danger to my life.

I respectfully ask the Bonaire police to record this request and refer me to the appropriate Dutch immigration authorities (IND) or the United Nations Refugee Agency (UNHCR).

Please provide me with a report number or confirmation that my request has been recorded.

Sincerely,

Jessica Collins
